

**Rajiv Gandhi University of Health Sciences**  
&  
**Padmashree Institute of Medical Lab Technology**  
Bangalore

Cordially invite you to a seminar on

**“Future opportunities in Medical Laboratory Sciences”**

**Foreword:**

Medical Laboratory Technologists are the fourth largest group of health care professionals in the healthcare sector but not many people who have completed this course are aware about the spectrum of jobs or academic opportunities they have. The Medical Laboratory Scientist has the best of both worlds with the challenges and rewards of medicine and science.

In this seminar we wish to reflect upon the current and anticipated developments that may affect the future of laboratory medicine and how one can deal with these changes. We wish to create a platform so that the students and faculty get an opportunity to interact with the best in the field and can share their views on the future prospects of Medical Lab Sciences.
